

Catch SaaS creep before it eats margin

For solo operators running the whole business.

Who this is for

Solo operators and one-person businesses who wear every hat â sales, delivery, admin, and support â and need leverage without hiring a department.

Trials become zombies on the corporate card.

Suggested stack

Bank export + Sheet + calendar reminder. Primary tools: Rocket Money, Sheets, Calendar.

Do this

1. Export last 90 days of card charges monthly.
2. Tag each as Keep / Replace / Kill.
3. Cancel Kill the same day â do not â decide laterâ.
4. Calendar: subscription audit first Monday each month.

Operator tip

If you cannot name the weekly job a tool does, cancel it.
