

Pay contractors on a rhythm, not a memory

For solo operators running the whole business.

Who this is for

Solo operators and one-person businesses who wear every hat â sales, delivery, admin, and support â and need leverage without hiring a department.

Late contractor pay destroys trust faster than late client pay.

Suggested stack

AP checklist + Wise batches + bookkeeping category. Primary tools: Wise, PayPal, QuickBooks.

Do this

1. Standard invoice email + due date (e.g. Net 7).
2. Zap invoice PDF â Drive + QuickBooks bill.
3. Pay on one day per week in a single Wise batch.
4. Confirm payment with a short email template.

Operator tip

Same payday every week. Reliability is your brand with freelancers too.
