

Deliver lead magnets instantly every time

For solo operators running the whole business.

Who this is for

Solo operators and one-person businesses who wear every hat â sales, delivery, admin, and support â and need leverage without hiring a department.

Manual delivery delays kill trust at the first touch.

Suggested stack

ESP automation + file host. Primary tools: Beehiiv, ConvertKit, Gumroad.

Do this

1. Host the PDF on your site or Drive with a stable link.
2. Confirmation email delivers within seconds.
3. Tag by magnet name for future segments.
4. Start welcome drip immediately after delivery.

Operator tip

The magnet should solve one sharp problem. Broad PDFs convert worse.
